

Thanks for expressing an interest in the Upper Valley Fiber Festival. The festival date is May 10, 2008 and it will be held at the Jr Fair building of the Miami Cty Fairgrounds located in Troy, Oh. We hope to have a nice variety of vendors and possible animal displays. We have 60 inside spaces and a large number of outside spaces available for those who would like to bring their animals. All spaces will be 10'x10'. Spaces with electric are available but these are on a first come first reserved basis. Vendor fees will be refunded in full if cancellation is received **before April 10**. Vendors are also encouraged to donate an item for door prizes. The event will not be cancelled/rescheduled due to weather.

Thank You

UVFF Committee

Basic Information:

1. Approved applications will be handled on a first-come-first-served basis including those who need electric. Booths will have access to only 1 socket, so plan on bringing extension cords.
2. Displays must be set up **absolutely** within indicated areas. Goods/displays must not block the aisles & all animals must be restrained in order to follow fire code.
3. Animal guidelines & accommodations will be listed at the end.
4. Set up will start Friday 2-7pm & Saturday at 7am with the show opening at 9am. We do ask that you please move your vehicle after unloading so that other vendors may have the same accessibility.
5. A vendor packet will be sent & will include: a map of inside booth layout, food menu if available & a camp parking pass if you choose this option. The outside booth layout is determined the Friday before set up & will have appropriate signage.
6. The UVFF & it producers reserve no responsibility for theft, injury or death, or anything that may happen to any animal or to the theft, damage, or loss of exhibitor property.

Keeping in touch or update show information can be found at Ewetopia.net. Just click on the UVFF link. We are hoping to keep a list of those who will be attending & also a hot link for driving instructions. If you have questions not answered here, please email us at Ewetopia@kbcom.net or Lori Judy at dkj63@bright.net. We are looking forward to hosting a really wonderful event & hope that you can be a part of it.

UVFF Animal Condition/Health Rules

1. All animals must comply with any interstate shipping requirements & regulations. Check with your local vet.
2. Ohio is TB & Brucellosis free. The show manager reserves the right to reject any animal showing signs of health problems.
3. All outside vendors are expected to stay within their allotted 10'x10' space. If more space is needed, please purchase an additional space.
4. Exhibitors are responsible to bring their own pens, water buckets, feed, hay and bedding. Also, it is the responsibility of the vendor for the clean up of the assigned area at the end of the show.
5. UVFF makes no guarantee of any kind regarding any animal sales.

Accommodations:

Camping is available on the fairgrounds with an electric hookup but not water. However, restrooms/showers are available & located near the cattle barn.
